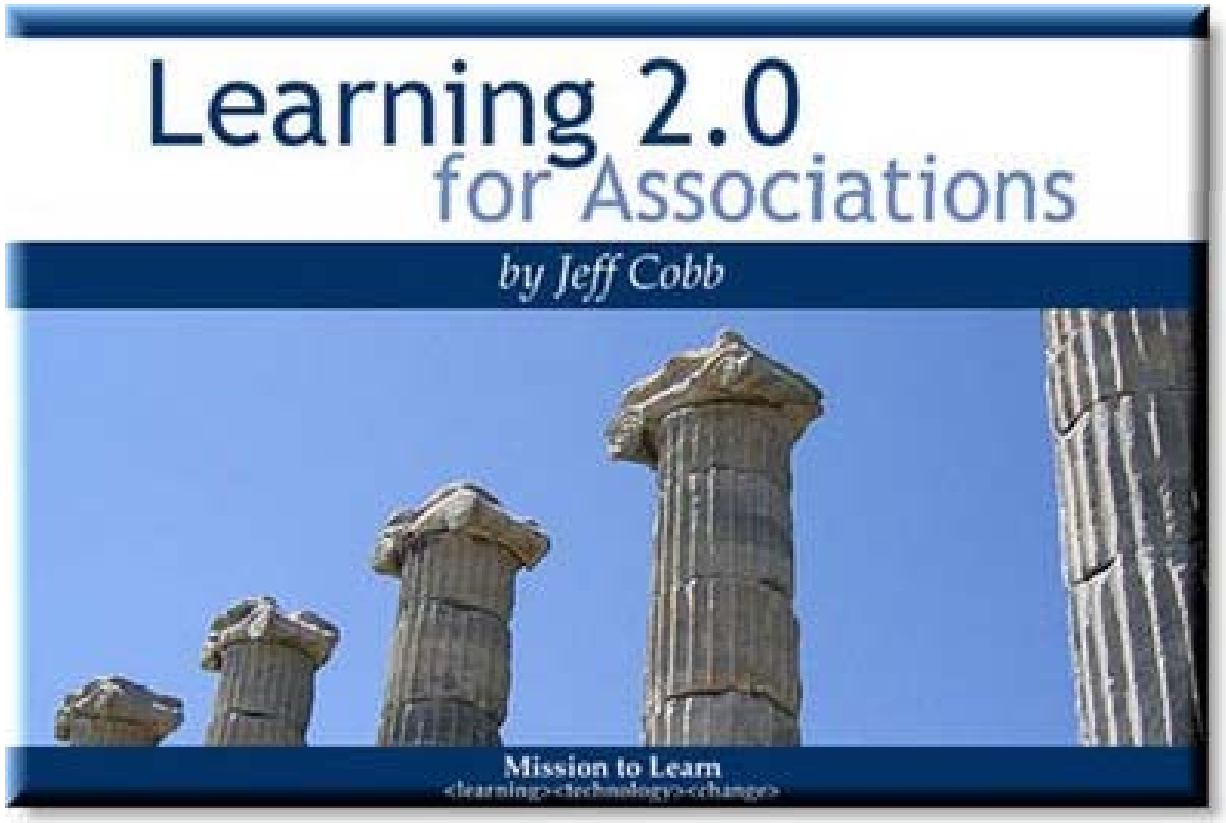
Once Upon A Time…

LEARNING 2.0



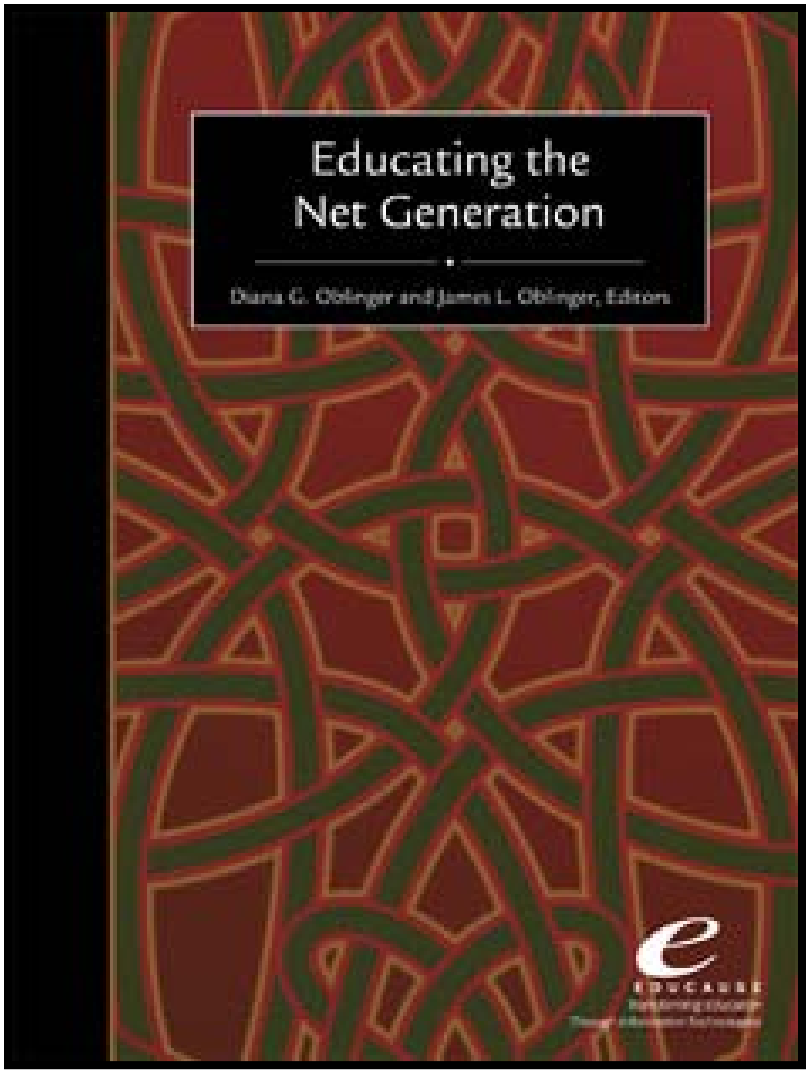
This report considers how approaches to learning have evolved and what impact the new technologies dubbed "Web 2.0" are having.

http://blog.missiontolearn.com/2008/02/learning-20-ebook-free/

001

Educating the Net Generation

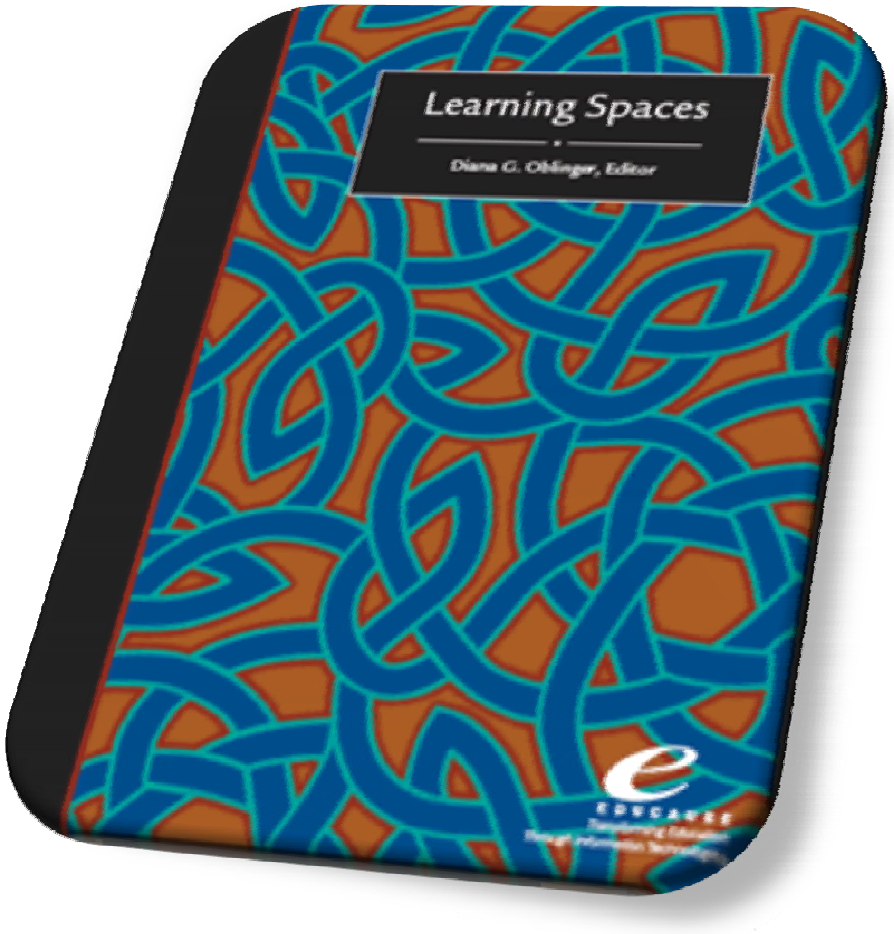
This collection explores the Net Gen and the implications for institutions in areas such as teaching, service, learning space design, faculty development, and curriculum.



http://www.educause.edu/books/educatingthenetgen/5989

002

Learning Spaces



This e-book represents an ongoing exploration as we bring together space, technology, and pedagogy to ensure learner success.

http://www.educause.edu/books/learningspaces/10569

Theory and Practice of Online Learning

Essays by practitioners and scholars active in the complex, diverse, and rapidly evolving field of distance education blend scholarship and research; practical attention to the details of teaching and learning; and mindful attention to the economics of the business of education.

The Cluetrain Manifesto

the cluetrain manifesto

Online Markets...

Networked markets are beginning to self-organize faster than the companies that have traditionally served them. Thanks to the web, markets are becoming better informed, smarter, and more demanding of qualities missing from most business organizations.

...People of Earth

The sky is open to the stars. Clouds roll over us night and day. Oceans rise and fall. Whatever you may have heard, this is our world, our place to be. Whatever you've been told, our flags fly free. Our heart goes on forever. People of Earth, remember.

Digital Education

CONTENTS

Preface
I. A new era
- Globalization, the first sign of change
- English - the new planetary language
- A change in the scale of education

II. Education and its context
- Education and business
- Education and the state

III. The digital habit
- The new digital culture
- Digital projects
- Time for assimilation

IV. The extended school
- Education at a critical moment
- A definition of the extended school
- Yesterday: concentrated knowledge

Digital Education

by

Antonio M. Battro and Percival J. Denham

Digital Education is clearly a labor of love. At the same time it is a thoughtful and sophisticated discussion of the shape of education in the future.

Howard Gardner. Graduate School of Education. Harvard

From Project Gutenberg, the first producer of free electronic books (ebooks).

The Project Gutenberg collection was produced by tens of thousands of volunteers. You can help -- start here!

Project Gutenberg needs your pennies, nickels and dimes. An average of just one cent per eBook downloaded would make a **huge** difference. How to Donate

Free Books

Top 100 downloads, of about 3 million ebooks downloaded each month, just from iBiblio.

There are over 25,000 free books in the Project Gutenberg Online Book Catalog.

A grand total of over 100,000 titles are available at Project Gutenberg Partners, Affiliates and Resources.

If you don't live in the United States, please check the copyright laws of your country before downloading or redistributing a book.

The Place where Authors and Readers actively network and eBook quality is paramount!

Home | Author Registration | Library | Printed Books | Web Design | About us | Contact us

THE BOOK CLUB

Would you like to join our Reader's Group and meet others online to discuss the

Welcome to Globusz Publishing!

Our goal is to help authors build an essential profile, and to give their work global exposure.

Readers can download our eBooks ... FREE!

We understand the difficulties new authors face. We know how hard it is for them to have their work published. We know there are many excellent writers out there who have tried hard to have their work accepted by mainstream publishing houses.

That's why Globusz is serious about helping authors reach readers and that is why we don't charge for eBooks downloads. Listing with Globusz helps authors build a network of readers who can download the work free.

You know Globusz is sincere because all our staff volunteer their time and work hard to deliver a great service. Globusz people are committed to building the best eLibrary on the Internet.

With your help we will achieve this goal!
